

Genting Bhd (GENT MK)

Could have been better but still a good liquid recovery play

Maintain BUY call and tweak TP to MYR5.48 (+3sen)

4Q21/FY21 losses were wider than we expected due to more losses from an associate and a deferred tax charge. That said, dividends positively surprised us. Going forward, GENT's earnings recovery will be gradual especially at GENS. Thus, we cut FY22E/FY23E earnings by 30%/23%. Yet, we continue to like GENT as a liquid recovery play and tweak our SOP-based TP to MYR5.48 from MYR5.45 as we roll forward our valuation base year to end-FY22E from end-FY21E.

Losses wider than expected but DPS outperformed

4Q21 core net loss of MYR339m brought FY21 core net loss to MYR1.18b which was more than double of what we had expected (i.e. MYR499.9m). Yet, FY21 EBITDA of MYR3.80b was within our expectations at 104% of our FY estimate. The shortfall was due to losses from 49%-owned associate, Meizhou Wan power plant, on high coal prices and a MYR113.2m deferred tax charge due to changes in tax rate in certain jurisdictions. That said, the interim DPS of 11.0 sen was 69% more than we expected.

Earnings recovery will be gradual, in our view

For RWG, we expect FY22 to be better despite the recent *Omicron* wave as RWG stays open and visitors return due to *Omicron*'s low mortality rate. For RWS, we expect FY22 to be worse due to a 3 ppt increase in gaming tax rates and non-recurrence of Jobs Supports Scheme payments. For Resorts World Las Vegas (RWLV), we expect a gradual ramp up from a rather tepid 2H22 (4Q21 EBITDA: USD23.0m, EBITDA since opening on 24 Jun 2022: USD53.9m) as the United State's *Omicron* wave is waning.

Cut FY22E/FY23E earnings by 30%/23%

Reflecting our latest GENS ([link](#)) and GENP ([link](#)) earnings estimates, we cut our FY22E/FY23E earnings for GENT by 30%/23% and introduce FY24E. Our lower FY22E and FY23E earnings are largely due to our expectation that GENS' earnings recovery will be delayed by another year due to Singapore's borders reopening more gradually than we expected. This is moderated by higher GENP earnings as we recently raised our FY22E CPO average selling price forecast to MYR4,100/tonne from MYR3,200/tonne.

Value Proposition

- Largest casino conglomerate in South East Asia with interests in power, plantations, property and oil & gas.
- Via 49%-owned Genting Malaysia (GENM) and 53%-owned Genting Singapore (GENS), operates Resorts World Genting (RWG) and Resorts World Sentosa (RWS).
- ROEs have fallen from >10% pre FY12 to <10% in FY18 due to RWS being pressured by the weak Chinese economy.
- Requires better performance from major subsidiaries to drive reversion to mean discount to SOP/sh.
- GENM expanding RWG via Genting Integrated Tourism Plan (GITP). RWG is Malaysian centric and especially resilient.

Financial Metrics

- Key financial metric is EBITDA. Most casino operators are valued on EV/EBITDA basis.
- Forecast FY22E EBITDA to rebound 88% YoY as RWG's Genting SkyWorlds and RWLV ramps up.
- Forecast FY23E EBITDA to grow by a more gradual 18% YoY as we expect RWG operations to normalise by then.
- Forecast FY24E EBITDA to grow by another 17% YoY as we expect RWS operations to normalise by then.

Price Drivers

Historical share price trend

Source: Company, Maybank IBG Research

1. GENS reported better 4Q16 results due to less direct VIP rebates and bad debts.
2. National Budget 2019 in Nov 2018 proposed for RWG casino duty rate to be hiked by 10ppts from 1 Jan 2019.
3. Fox withdrew RWG's right to Fox-brand its outdoor theme park.
4. COVID-19 outbreak. To date, there are 2.6m cases in Malaysia and 258k cases in Singapore.
5. Pfizer, Moderna and AstraZeneca announced that they have developed effective COVID-19 vaccines.

Swing Factors

Upside

- VIP volume and win rate - these tend to be volatile and can greatly influence earnings.
- VIP/mass market mix tilt towards mass market will expand margins due to less commissions and rebates.
- Higher visitor arrivals to RWG as the purpose of the GITP is to attract more high margin mass market gamblers.

Downside

- Bad debts - Chinese account for most of GENS and GENUK VIPs but gambling debts are not enforceable in China.
- CPO and oil prices - plantations and oil & gas contribute <10% to EBITDA but CPO and oil prices can impact GENT group earnings nonetheless.
- Regional expansion - new jurisdictions often require high capex commitments without guaranteeing returns.

Tweak SOP-based TP to MYR5.48 from MYR5.45

Rolling forward our valuation base year to end-FY22E from end-FY21E, utilising our revised TPs for GENM (MYR3.37 vs. MYR3.40 previously), GENS (SGD0.84 vs. SGD0.86 previously) and GENP (MYR8.95 vs. MYR8.28 previously) and ascribing an unchanged 55% discount to GENT SOP/shr, we tweak our TP for GENT to MYR5.48 from MYR5.45 (Fig. 2). We continue to value RWLV at cost of USD4.3b (MYR18.1b). With >10% upside potential, we maintain our BUY call on GENT.

APPENDIX I: TERMS FOR PROVISION OF REPORT, DISCLAIMERS AND DISCLOSURES

DISCLAIMERS

This research report is prepared for general circulation and for information purposes only and under no circumstances should it be considered or intended as an offer to sell or a solicitation of an offer to buy the securities referred to herein. Investors should note that values of such securities, if any, may fluctuate and that each security's price or value may rise or fall. Opinions or recommendations contained herein are in form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from the relevant jurisdiction's stock exchange in the equity analysis. Accordingly, investors' returns may be less than the original sum invested. Past performance is not necessarily a guide to future performance. This report is not intended to provide personal investment advice and does not take into account the specific investment objectives, the financial situation and the particular needs of persons who may receive or read this report. Investors should therefore seek financial, legal and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

The information contained herein has been obtained from sources believed to be reliable but such sources have not been independently verified by Maybank Investment Bank Berhad, its subsidiary and affiliates (collectively, "Maybank IBG") and consequently no representation is made as to the accuracy or completeness of this report by Maybank IBG and it should not be relied upon as such. Accordingly, Maybank IBG and its officers, directors, associates, connected parties and/or employees (collectively, "Representatives") shall not be liable for any direct, indirect or consequential losses or damages that may arise from the use or reliance of this report. Any information, opinions or recommendations contained herein are subject to change at any time, without prior notice.

This report may contain forward looking statements which are often but not always identified by the use of words such as "anticipate", "believe", "estimate", "intend", "plan", "expect", "forecast", "predict" and "project" and statements that an event or result "may", "will", "can", "should", "could" or "might" occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward-looking statements. Maybank IBG expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

Maybank IBG and its officers, directors and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. One or more directors, officers and/or employees of Maybank IBG may be a director of the issuers of the securities mentioned in this report to the extent permitted by law.

This report is prepared for the use of Maybank IBG's clients and may not be reproduced, altered in any way, transmitted to, copied or distributed to any other party in whole or in part in any form or manner without the prior express written consent of Maybank IBG and Maybank IBG and its Representatives accepts no liability whatsoever for the actions of third parties in this respect.

This report is not directed to or intended for distribution to or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. This report is for distribution only under such circumstances as may be permitted by applicable law. The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. Without prejudice to the foregoing, the reader is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

Malaysia

Opinions or recommendations contained herein are in the form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from Bursa Malaysia Securities Berhad in the equity analysis.

Singapore

This report has been produced as of the date hereof and the information herein may be subject to change. Maybank Research Pte. Ltd. ("MRPL") in Singapore has no obligation to update such information for any recipient. For distribution in Singapore, recipients of this report are to contact MRPL in Singapore in respect of any matters arising from, or in connection with, this report. If the recipient of this report is not an accredited investor, expert investor or institutional investor (as defined under Section 4A of the Singapore Securities and Futures Act), MRPL shall be legally liable for the contents of this report, with such liability being limited to the extent (if any) as permitted by law.

Thailand

Except as specifically permitted, no part of this presentation may be reproduced or distributed in any manner without the prior written permission of Maybank Securities (Thailand) Public Company Limited. Maybank Securities (Thailand) Public Company Limited ("MST") accepts no liability whatsoever for the actions of third parties in this respect.

Due to different characteristics, objectives and strategies of institutional and retail investors, the research products of MST Institutional and Retail Research departments may differ in either recommendation or target price, or both. MST reserves the rights to disseminate MST Retail Research reports to institutional investors who have requested to receive it. If you are an authorised recipient, you hereby tacitly acknowledge that the research reports from MST Retail Research are first produced in Thai and there is a time lag in the release of the translated English version.

The disclosure of the survey result of the Thai Institute of Directors Association ("IOD") regarding corporate governance is made pursuant to the policy of the Office of the Securities and Exchange Commission. The survey of the IOD is based on the information of a company listed on the Stock Exchange of Thailand and the market for Alternative Investment disclosed to the public and able to be accessed by a general public investor. The result, therefore, is from the perspective of a third party. It is not an evaluation of operation and is not based on inside information. The survey result is as of the date appearing in the Corporate Governance Report of Thai Listed Companies. As a result, the survey may be changed after that date. MST does not confirm nor certify the accuracy of such survey result.

The disclosure of the Anti-Corruption Progress Indicators of a listed company on the Stock Exchange of Thailand, which is assessed by Thaipat Institute, is made in order to comply with the policy and sustainable development plan for the listed companies of the Office of the Securities and Exchange Commission. Thaipat Institute made this assessment based on the information received from the listed company, as stipulated in the form for the assessment of Anti-corruption which refers to the Annual Registration Statement (Form 56-1), Annual Report (Form 56-2), or other relevant documents or reports of such listed company. The assessment result is therefore made from the perspective of Thaipat Institute that is a third party. It is not an assessment of operation and is not based on any inside information. Since this assessment is only the assessment result as of the date appearing in the assessment result, it may be changed after that date or when there is any change to the relevant information. Nevertheless, MST does not confirm, verify, or certify the accuracy and completeness of the assessment result.

US

This third-party research report is distributed in the United States ("US") to Major US Institutional Investors (as defined in Rule 15a-6 under the Securities Exchange Act of 1934, as amended) only by Maybank Securities USA Inc ("MSUS"), a broker-dealer registered in the US (registered under Section 15 of the Securities Exchange Act of 1934, as amended). All responsibility for the distribution of this report by MSUS in the US shall be borne by MSUS. This report is not directed at you if Maybank IBG is prohibited or restricted by any legislation or regulation in any jurisdiction from making it available to you. You should satisfy yourself before reading it that MSUS is permitted to provide research material concerning investments to you under relevant legislation and regulations. All U.S. persons receiving and/or accessing this report and wishing to effect transactions in any security mentioned within must do so with: Maybank Securities USA Inc. 400 Park Avenue, 11th Floor, New York, New York 10022, 1-(212) 688-8886 and not with, the issuer of this report.

UK

This document is being distributed by Maybank Securities (London) Ltd (“MSUK”) which is authorized and regulated, by the Financial Conduct Authority and is for Informational Purposes only. This document is not intended for distribution to anyone defined as a Retail Client under the Financial Services and Markets Act 2000 within the UK. Any inclusion of a third party link is for the recipients convenience only, and that the firm does not take any responsibility for its comments or accuracy, and that access to such links is at the individuals own risk. Nothing in this report should be considered as constituting legal, accounting or tax advice, and that for accurate guidance recipients should consult with their own independent tax advisers.

Definition of Ratings

Maybank IBG Research uses the following rating system

- BUY** Return is expected to be above 10% in the next 12 months (including dividends)
- HOLD** Return is expected to be between 0% to 10% in the next 12 months (including dividends)
- SELL** Return is expected to be below 0% in the next 12 months (including dividends)

Applicability of Ratings

The respective analyst maintains a coverage universe of stocks, the list of which may be adjusted according to needs. Investment ratings are only applicable to the stocks which form part of the coverage universe. Reports on companies which are not part of the coverage do not carry investment ratings as we do not actively follow developments in these companies.
