

CIMB Group Holdings (CIMB MK)

Niaga's 2Q25 results marginally below our expectations

CIMB Group's forecasts maintained

CIMB Niaga's (BUY; CP: IDR1,725, TP: IDR2,400) 2Q25 results were marginally below our expectations but in line with consensus. We have trimmed its FY25E net profit by 2.8%, for which the impact to CIMB Group's net profit would be <1%. We maintain CIMB Group's forecasts - its results are scheduled to be released on 29th Aug. We maintain our HOLD call on CIMB Group with an unchanged TP of MYR7.60 (FY25E P/BV: 1.1x, COE: 10.1%, g: 4%, ROE: 10.9%).

Niaga's results were slightly below our expectations

Niaga's 2Q25 core net profit of IDR1.65t (-4% YoY, -9% QoQ) took 1H25 core net profit to IDR3.46t (+1% YoY). The results were marginally below our expectations (but in line with consensus) and our Indonesia banking analyst has trimmed his FY25E forecast by 2.8% on lower NIM estimates (<u>link</u>). This would, in turn, lower our CIMB Group FY25E net profit forecast by <1%.

Asset quality improving for Niaga

Positives for the quarter include still fairly decent loan growth of 6.8% YoY and stronger asset quality, which contributed to lower credit cost in 1H25. Separately, overheads were also under control. On the flip side, NIM slipped QoQ (but was still within management's guidance) while 1H25 non-interest income (NOII) was flat YoY.

Niaga's FY25 targets broadly maintained

Niaga's management maintains most of its FY25E targets which include a) loan growth of 5-7% (2Q25: 6.8% YoY), b) NIM of 3.9-4.2% (1H25: 3.96%), c) cost/income ratio <45% (1H25: 45.5%), and d) ROE of 14-15% (1H25: 13.5%). Positively, the credit cost guidance is revised down to 0.6-0.8% from "within 1.0%" before, in light of improving asset quality.

Source: Bank

Niaga's loan growth at 6.8% YoY

Niaga's loan growth was 6.8% YoY end-June 2025, marginally slower than 8.7% YoY end-Mar 2025. Consumer loans rose 4.7% YoY (5.5% end-Mar 2025) as auto loans continued to be a robust 26.7% YoY. This was moderated by a 2.5% contraction in mortgages and a more moderate 4.4% YoY growth in other loans.

Corporate, commercial and SME loans expanded 9.3%, 4.6% and 7.3% YoY respectively (13.7%, 4.6% and 7.6% YoY end-Mar 2025). Management has adopted the approach of shifting capital allocation to areas with the highest risk adjusted returns, which is why there has been a focus away from mortgages. Focus will be on auto and unsecured consumer loans and lending to medium-sized SMEs.

Niaga's customer deposit growth at 4.8% YoY

Customer deposits expanded 4.8% YoY end-June 2025 (+2.5% YoY end-Mar 2025). CASA outpaced time deposits, growing 10.9% YoY, as time deposits contracted 6.6% YoY. Retail (consumer and SME) CASA grew at a faster pace of 8.1% YoY (+4.0% YoY end-Mar 2025) and accounted for 60.3% of total CASA. The bank's CASA ratio rose to 69.0% end-June from 67.4% end-Mar 2025. Its loan/deposit ratio (LDR) was 87.3% end-June 2025.

Niaga's NIM slipped QoQ

Net interest margin (NIM) slipped 6bps QoQ to 3.93% in 2Q25 from 3.99% in 1Q25. Loan yield slipped by a larger 33bps QoQ relative to a 15bps QoQ decline in funding cost. Management sees an easing of competition for deposits.

Niaga's 1H25 NOII relatively flat YoY

1H25 non-interest income (NOII) was relatively flat (-1.9% YoY). 1H25 fee income rose 4.1% YoY while treasury/markets income increased 9.5% YoY. These were offset by much lower loan recovery income (-24.3% YoY).

Niaga's expenses under control

1H25 operating expenses rose just 2.7% YoY. While personnel and tech expenses rose 3.6% and 10.2% YoY respectively, other expenses declined 4.3% YoY. The bank's cost/income ratio (CIR) was however higher at 45.5% in 1H25 versus 43.9% in 1H24, due to weaker topline growth.

Asset quality improving at Niaga

The bank's gross impaired loans (GIL) ratio was lower QoQ at 3.9% end-June 2025 versus 4.1% end-Mar 2025. Loans at risk (LAR) was also lower QoQ at 8.4% end-June 2025 from 8.6% end-Mar 2025. Credit cost improved to 65bps in 1H25 from 89bps in 1H24.

CAR and liquidity comfortable for Niaga

Niaga's Tier 1 ratio was 22.9% end-June 2025 (23.7% end-Mar 2025). Its liquidity coverage ratio (LCR) was comfortable at 193% as was its net stable funding ratio at 116%.

Niaga's ROE was lower than target

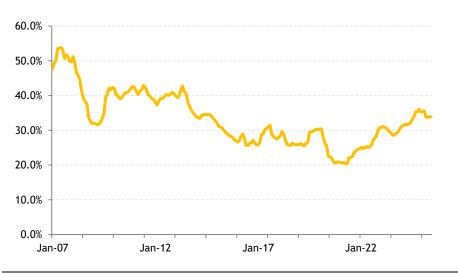

2Q25 ROE of 13.1% took 1H25 ROE to 13.5%, against management's FY25 full-year target of 14-15%.

Risk statement

As the second largest domestic financial institution in Malaysia in terms of asset size, any economic slowdown in the country would have a knock-on effect on the group's operating performance. Moreover, with regional exposures in key markets such as Indonesia, Thailand and Singapore, economic volatility in the region would have a bearing on overall operations. Tight liquidity could squeeze margins, while the weakening of the IDR could impact the translation of Niaga's earnings.

APPENDIX I: TERMS FOR PROVISION OF REPORT, DISCLAIMERS AND DISCLOSURES

DISCLAIMERS

This research report is prepared for general circulation and for information purposes only and under no circumstances should it be considered or intended as an offer to sell or a solicitation of an offer to buy the securities referred to herein. Investors should note that values of such securities, if any, may fluctuate and that each security's price or value may rise or fall. Opinions or recommendations contained herein are in form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from the relevant jurisdiction's stock exchange in the equity analysis. Accordingly, investors' returns may be less than the original sum invested. Past performance is not necessarily a guide to future performance. This report is not intended to provide personal investment advice and does not take into account the specific investment objectives, the financial situation and the particular needs of persons who may receive or read this report. Investors should therefore seek financial, legal and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

The information contained herein has been obtained from sources believed to be reliable but such sources have not been independently verified by Maybank Investment Bank Berhad, its subsidiary and affiliates (collectively, "Maybank IBG") and consequently no representation is made as to the accuracy or completeness of this report by Maybank IBG and it should not be relied upon as such. Accordingly, Maybank IBG and its officers, directors, associates, connected parties and/or employees (collectively, "Representatives") shall not be liable for any direct, indirect or consequential losses or damages that may arise from the use or reliance of this report. Any information, opinions or recommendations contained herein are subject to change at any time, without prior notice.

This report may contain forward looking statements which are often but not always identified by the use of words such as "anticipate", "estimate", "intend", "plan", "expect", "forecast", "predict" and "project" and statements that an event or result "may", "will", "can", "should", "could" or "might" occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward-looking statements. Maybank IBG expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

Maybank IBG and its officers, directors and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. One or more directors, officers and/or employees of Maybank IBG may be a director of the issuers of the securities mentioned in this report to the extent permitted by law.

This report is prepared for the use of Maybank IBG's clients and may not be reproduced, altered in any way, transmitted to, copied or distributed to any other party in whole or in part in any form or manner without the prior express written consent of Maybank IBG and Maybank IBG and its Representatives accepts no liability whatsoever for the actions of third parties in this respect.

This report is not directed to or intended for distribution to or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. This report is for distribution only under such circumstances as may be permitted by applicable law. The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. Without prejudice to the foregoing, the reader is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

Malaysia

Opinions or recommendations contained herein are in the form of technical ratings and fundamental ratings. Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from Bursa Malaysia Securities Berhad in the equity analysis.

Singapore

This report has been produced as of the date hereof and the information herein may be subject to change. Maybank Research Pte. Ltd. ("MRPL") in Singapore has no obligation to update such information for any recipient. For distribution in Singapore, recipients of this report are to contact MRPL in Singapore in respect of any matters arising from, or in connection with, this report. If the recipient of this report is not an accredited investor, expert investor or institutional investor (as defined under Section 4A of the Singapore Securities and Futures Act 2001), MRPL shall be legally liable for the contents of this report.

Thailand

Except as specifically permitted, no part of this presentation may be reproduced or distributed in any manner without the prior written permission of Maybank Securities (Thailand) Public Company Limited. ("MST") accepts no liability whatsoever for the actions of third parties in this respect.

If you are an authorised recipient, you hereby tacitly acknowledge that the research reports from MST Research are first produced in Thai and there is a time lag in the release of the translated English version.

The disclosure of the survey result of the Thai Institute of Directors Association ("IOD") regarding corporate governance is made pursuant to the policy of the Office of the Securities and Exchange Commission. The survey of the IOD is based on the information of a company listed on the Stock Exchange of Thailand and the market for Alternative Investment disclosed to the public and able to be accessed by a general public investor. The result, therefore, is from the perspective of a third party. It is not an evaluation of operation and is not based on inside information. The survey result is as of the date appearing in the Corporate Governance Report of Thai Listed Companies. As a result, the survey may be changed after that date. MST does not confirm nor certify the accuracy of such survey result.

The disclosure of the Anti-Corruption Progress Indicators of a listed company on the Stock Exchange of Thailand, which is assessed by Thaipat Institute, is made in order to comply with the policy and sustainable development plan for the listed companies of the Office of the Securities and Exchange Commission. Thaipat Institute made this assessment based on the information received from the listed company, as stipulated in the form for the assessment of Anti-corruption which refers to the Annual Registration Statement (Form 56-1), Annual Report (Form 56-2), or other relevant documents or reports of such listed company. The assessment result is therefore made from the perspective of Thaipat Institute that is a third party. It is not an assessment of operation and is not based on any inside information. Since this assessment result as of the date appearing in the assessment result, it may be changed after that date or when there is any change to the relevant information. Nevertheless, MST does not confirm, verify, or certify the accuracy and completeness of the assessment result.

US

This third-party research report is distributed in the United States ("US") to Major US Institutional Investors (as defined in Rule 15a-6 under the Securities Exchange Act of 1934, as amended) only by Wedbush Securities Inc. ("Wedbush"), a broker-dealer registered in the US (registered under Section 15 of the Securities Exchange Act of 1934, as amended). All responsibility for the distribution of this report by Wedbush in the US shall be borne by Wedbush. This report is not directed at you if Wedbush is prohibited or restricted by any legislation or regulation in any jurisdiction from making it available to you. You should satisfy yourself before reading it that Wedbush is permitted to provide research material concerning investments to you under relevant legislation and regulations. All U.S. persons receiving and/or accessing this report and wishing to effect transactions in any security mentioned within must do so with: Wedbush Securities Inc. 1000 Wilshire Blvd, Los Angeles, California 90017, +1 (646) 604-4232 and not with the issuer of this report.

UK

This document is being distributed by Maybank Securities (London) Ltd ("MSUK") which is authorized and regulated, by the Financial Conduct Authority and is for Informational Purposes only. This document is not intended for distribution to anyone defined as a Retail Client under the Financial Services and Markets Act 2000 within the UK. Any inclusion of a third party link is for the recipients convenience only, and that the firm does not take any responsibility for its comments or accuracy, and that access to such links is at the individuals own risk. Nothing in this report should be considered as constituting legal, accounting or tax advice, and that for accurate guidance recipients should consult with their own independent tax advisers.

OTHERS

Analyst Certification of Independence

The views expressed in this research report accurately reflect the analyst's personal views about any and all of the subject securities or issuers; and no part of the research analyst's compensation was, is or will be, directly or indirectly, related to the specific recommendations or views expressed in the report.

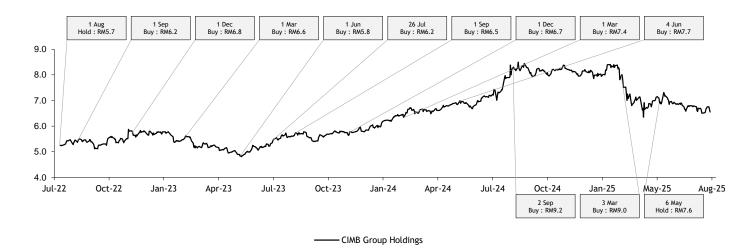

Reminder

Structured securities are complex instruments, typically involve a high degree of risk and are intended for sale only to sophisticated investors who are capable of understanding and assuming the risks involved. The market value of any structured security may be affected by changes in economic, financial and political factors (including, but not limited to, spot and forward interest and exchange rates), time to maturity, market conditions and volatility and the credit quality of any issuer or reference issuer. Any investor interested in purchasing a structured product should conduct its own analysis of the product and consult with its own professional advisers as to the risks involved in making such a purchase.

No part of this material may be copied, photocopied or duplicated in any form by any means or redistributed without the prior consent of Maybank IBG.

Historical recommendations and target price: CIMB Group Holdings (CIMB MK)

Definition of Ratings

Maybank IBG Research uses the following rating system

BUY Return is expected to be above 10% in the next 12 months (including dividends)

HOLD Return is expected to be between 0% to 10% in the next 12 months (including dividends)

SELL Return is expected to be below 0% in the next 12 months (including dividends)

Applicability of Ratings

The respective analyst maintains a coverage universe of stocks, the list of which may be adjusted according to needs. Investment ratings are only applicable to the stocks which form part of the coverage universe. Reports on companies which are not part of the coverage do not carry investment ratings as we do not actively follow developments in these companies.
